## Alumni, student organizations host weekend activities

In 1972, the Alumni of Avila organized their first major Homecoming activities. In 1976, Homecoming

weekend became an October celebration involving both alumni and students. This year's Homecoming

1983 will be the weekend of October 7, 8, and 9.

The essence of the Homecoming spirit is purely

'coming home'. As successful students both academically and socially, look back on their years at college, they do feel a sense of timeless sharing with those who have gone before, and those who will follow.

The October third issue of the 'Avila Examiner' will provide a special calendar of events for Homecoming weekend. A sneak preview of the weekend discloses several campus activities for alumni and students alike.

Friday offers a special pep rally at noon sponsored by the Avila cheerleaders, the production of Neil Simon's *God's Favorite*, and Students Union Board film series presents *The Wiz*.

Saturday is a sports fan's paradise with the Avalanche playing volleyball against UMKC at 10 a.m., men's soccer challenging Rockhurst at 2 p.m.,

and the women's club level soccer team taking on Rockhurst at 4 p.m.

Other Saturday programs will include an open house of the Nursing Learning lab, a Booster Club reception, an alumni cocktail party, and the day will culminate with SUB Homecoming dance at Adam's Mark that evening.

These are only some of the programs which will make Homecoming weekend a fun-filled and memory packed experience. The weekend is preceeded by five days of events in Rock-Rockhurst Week sponsored by the Residence Hall Government Association.

RHG will also be inviting parents to come to campus and share in the Homecoming celebration with a concurrent parent's weekend and special activities. Complete schedules of Homecoming 1983 will be available in the near future.

## Ministry programs foster Spiritual growth in oneself

by Sister Patricia Gillespie

The Human Spirituality-Campus Ministry Program at Avila is an active and growing program. Physical, social, and intellectual growth must include a strong spiritual life, too. Therefore, growth in faith and spiritual development are fostered through a variety of services.

Father Jim Lyons, Chaplain, and Sister Pat Gillespie, Director of Campus Ministry, serve as resource persons and stress a team approach to ministry. The team is composed of campus minister, students, and faculty who strive to provide services including liturgy, counseling, retreat experiences, social justice, group discussions, interfaith services, and community action.

This team approach allows for coordination of services and it tends to provide an atmosphere for personal growth as well as community growth. It enables students feel ownership for campus ministry activities and prepares them for a more active role in their respective parish as well as local or world communities.

Services offered through campus ministry are for all members of the Avila community regardless of religious preference. Each person on the Avila campus has a spirit-filled and joyful message to share. Contact Sr. Pat at ext. 286 or come to Borserine 422 to learn more about how you can become involved and share 'this gift'.

(continued from page 1)

During the campus festivities, College President Sister Olive Louise was visiting Avila, Spain, the home of the college's patroness, Saint Teresa of Avila. Sister Olive Louise attended Mass for the intentions of the college community and exchanged

the greetings between the Mayors of Kansas City and Avila.

The next campus celebration of Avila College's 20 year anniversary will be at the opening night of the Goppert Theatre production of 'God's Favorite', September 30.

### 100% Passed

All the nursing graduates, class of 1983, successfully completed the State License Examinations. Congratulations!

### Thank you Sister Germaine

The history of the French department at Avila came alive on July 14, in Marian Centre as some 50 alumni (former French majors and minors) returned to the campus to celebrate Bastille Day in honor of Sister Germaine Matter on the occasion of her retirement.

The gala event included skits, songs, renewed acquaintances and many words of praise and affection for a beloved and dedicated teacher.

### Students Honored

The following nursing students have received scholarships for the 1983-84 academic year: Tama Sadler received the Osteopathic Scholarship given by the Physician Wives Auxiliary in the amount of \$1500; Nancy Forsythe received the Veterans Administration Scholarship; and Jane Falk received the St. Joseph Hospital Auxiliary Scholarship in the amount of \$500.

### 1984 Graduates

October 13-15 are Avila Day and mid-semester break. No classes will be held these three days. Classes will resume on Monday, October 17.

### Crest, logo designs adopted

It's not exactly 'Look for

the union label', however, two of Avila's major organizations have established a crest and a new logo.

The Avila College Student Government designed and implemented a crest (pictured above) last Spring that highlights unity, justice, and progress, as well as other qualities and the Avila motto, 'God willing there is nothing to fear'.

The members of the Student Union Board developed a new logo during the summer months. It was developed to keep within the SUB purpose of programming activities for the campus community.

Avila student sets goals

# Soccer City to become a reality

by Linda Morris

Rick Hansen, an undergraduate personnel major at Avila, believes in setting goals for himself and then working to attain them. This October Rick plans on opening his own soccer stadium in Olathe called Soccer City.

It will be the first stadium open in the Kansas City area specifically designed for indoor soccer,' he said.

Mr. Hansen, who is employed in the personnel department at Bendix, worked with the Comets, Kansas City's professional indoor soccer team, as a Recreation Coordinator and handled ticket sales.

At the time, there were only two indoor soccer stadiums in the Kansas

City area. Through a market study he discovered that the Johnson County area showed a need for another stadium. He then talked to various builders to get them interested in the project.

Soccer City will provide full season league play for men, women, and co-ed teams for all ages and skill levels.

Also featured are the following: a pro shop with soccer gear and apparel for all ages, dressing areas which include lockers and showers for men and women, a 'Kickers' Loft' with an above field level view in which to relax with teammates and friends while having a sandwich, spa-

cious parking, aerobics, and ticket sales for sports and cultural events throughout Kansas City.

Either individual or team applications may be made. Soccer City, located at 651 N. Somerset Terrace, will be able to handle approximately 120 teams per each ten week session. The grand opening special leagues, ten games for \$300 per team, begins October 9. An eight-week session beginning October 23 will be \$240 per team with a deposit of \$75 required for each session.

For more information contact Rick Hansen at 782-KICK.

## Mid America Dance Network sponsors Annual regional showcase, conference

The fourth annual Dance Showcase and Conference was held at Avila College September 9, 10, and 11. Performances of four regional dance companies were held at the Goppert Theatre Conference classes, workshops, and discussions were continued throughout the weekend at Avila College.

The Showcase companies were among the finest from the region now touring. Rachel Lampert and Dancers, a modern dance company founded in 1975, has toured extensively in the United States and Europe and will have a permanent home at the University of Arkansas-Little Rock beginning in 1984.

The Mid America Dance Company from St. Louis, Missouri, has performed under the artistic direction of Ross Winter since 1976.

MAD/CO participates in the touring programs of the Mid-America Arts Alliance, the Missouri Arts Council and Young Audiences.

The Susan Warden Dancers from Manhattan, Kansas, was founded in 1979 to promote modern dance in the midwest. The nine dancers tour under the auspices of the Kansas Touring Arts Program.

The Kansas City Ballet, restructured under the Artistic Direction of internationally-acclaimed choreographer Todd Bolender in 1980, completed the evening.

The Ririe Woodbury Dance Company, known nationally for its wit and audience appeal, performed "Mayhem/Motorcycle" choreographed by Shirley Ririe, "Golden Oldies" and "Mixed Doubles" by Joan Woodward, and portions of

"Proximities" by Murray Louis on Saturday evening.

The Mid America Dance Network embraces all dance interests in Missouri, Arkansas, Oklahoma, Kansas, and Nebraska. Representatives of the National Endowment for the Arts, Dance/USA, State Arts Councils, and the Mid-America Arts Alliance will participated in the proceedings.

## Romantic drama highlights This Friday's feature film

by Linda Morris

"Somewhere in Time" will be presented on September 23 at 7:00 and 9:00 p.m. in Marian Centre Lounge. Starring Christopher Reeve, Jane Seymour, and Christopher Plummer, this film is a romantic drama.

Christopher Reeve portrays a young 20th Century playwright who falls in love with a portrait of a 18th century actress, played by Jane Seymour. Prompted by his obsession to learn everything about the actress, Reeve transports himself back through time by use of self-hypnosis to the hotel where the actress was performing. This film is said to be "irresistible to anyone with at least some romantic

feelings."

On September 30 at 7:00 and 9:00 p.m. "The Four Seasons" will be shown in Marian Centre Lounge. This film stars Alan Alda, Carol Burnett, Sandy Dennis, and Rita Moreno. Alda wrote, directed, and starred in this comedy about the relationships between three upper-middle-class couples who vacation together each season.

These relationships, as viewed through the eyes of Alda and Burnett, a zany lawyer and his organized magazine-editor wife, have many amusing aspects.

Sponsored by the Student Union Board, these films are free to Avila students, faculty their families, and guests.

# Quincy rated as tough Opponent for Avila

SOCCKER

The Avalanche faced one of their toughest opponents of the season September 10 when Quincy College came to town. Avila entered the game with a 2-1 record, having last defeated Southeast Missouri State on Labor Day 2-1. Quincy entered the match with an 0-1 record.

Freshman Marty Carrow scored Avila's winning goal against SMS with less than 2 minutes left in the game. Senior Scott Huber received the assist.

Neil Kelly gave Avila an early 1-0 lead with an unassisted goal at the 37:00 mark in the first half. SMS scored their lone goal with 12:07 remaining in the first half.

Avila did not fare as well against Sangamon State and lost 1-0 for the second year in a row.

Larry Larson led Avila to its first victory of the year by scoring both goals against Tarkio. Ron Essmyer and Kelly picked up the assists in the 2-0 victory.

Freshmen Tim Flynn (left) and Marty Carrow (right) converge on the attacking Washington University opponent in the pre-season exhibition game August 20. Tom Hampel, Avila goalkeeper, keeps a close watch on the action. Washington University went on to win the game 3-0.

# Team opens season In tourney play

VOLLEYBALL

Avila opened its 1983 season September 6 by losing to Penn Valley, Benedictine, and Mid-America.

The team's home opener came Friday night, September 9, against Rockhurst in the first round of the Avila Tournament. Avila and Rockhurst were just two of the teams in the tournament. The other teams were Park, Evangel, William Woods, Tarkio and Central Methodist.

New head coach Bob White will be working to blend the young with the

old, and enthusiasm with experience. He feels several of the squad's strengths will be their conditioning and new offense. Like many other schools, they lack height, but are a quick squad overall.

Returning seniors include Tina Crimi, Debbie Divers, and Tama Sadler. Sophomore and Juniors returning include Julie Gronski, Kathy Hale, Jamie Jenniwein, Lynn Lehman, Brigid McVey, Lori Slyter, and Kathy Werth. New to the team are Jane Barton, Dana Ober, and Ella Shoats.

# Intramural Department programs Aerobic sessions, tournaments, trip

The Intramural Department will begin its aerobic exercise program on Tuesday, September 20. There will be two six-week sessions with classes every Tuesday and Thursday evening.

The first session will be from Sept. 20 to Oct. 27 and the second session will be from Nov. 1 to Dec. 13.

There will be three time slots to choose from each evening beginning at 5:30, then 6:45, and the last class will start at 8:00. The fee will be \$12.00 per person per session.

Sign-up will be in the Office of Student Life. Contact Jerry French or the Office of Student Life for additional information.

The Intramural Department would also like to announce other coming events. There will be a ping-pong tournament beginning Oct. 17.

A co-ed volleyball league will begin on Oct. 31 and run through the first week of December. Games will

be played every Monday and Wednesday starting at 8:00 p.m.

The Intramural Department is also offering a Winter Ski Trip to Steamboat Springs, Colorado from Jan. 9-14, 1984. The package will consist of four nights lodging and five days skiing.

Transportation will be provided to Colorado and back. A Trailways coach will be used.

Equipment rental and tow tickets are included. The total package is only \$249.00 per person. Sign-up for all of these events will be conducted in the Office of Student Life.
